## WELCOME TO

# RMU

We would like to welcome two new additions to the RMU staff. Dakota Kelley joined the Arborist crew August 21st. Dakota enjoys being outdoors, especially to hunt & fish. Working outdoors was a motivating factor for applying for the arborist position. Dakota previously attended State Technical College in Linn, MO and is happy to join the RMU staff.

Anna Sullins started as a Customer Service Representative towards the end of August. Anna is a 2021 Licking graduate who enjoys river days, going on walks with her chocolate lab, and spending time with family and friends. She is currently in school to get her business degree in communications and in the midst of wedding planning. She will be marrying her fiance- Hunter, next June!

Every year, RMU conducts a comparative rate study. We distribute a questionnaire to every utility within a 60-mile radius of the City of Rolla, requesting them to provide their charges for average quantities of water and electricity. For water, we inquire about the cost for 4,000 gallons of usage. For electricity, we ask for the rates applicable to residential usage of 600 kWh, 1,100 kWh, and 2,000 kWh.
