Along the Lines

A Publication of Rolla Municipal Utilities

DRINKING WATER WEEK

May 4-10, 2025

Drinking Water Week is observed nationwide the first full week of May each year. This annual observance led by the American Water Works Association (AWWA) serves to highlight the importance of healthy drinking water and recognize the tireless efforts of water professionals who keep it flowing around the clock in our communities. RMU recognizes that high-quality drinking water is not only essential for public health but also for overall community well-being and economic growth. Safe water supports business and institutions, strengthens schools and healthcare systems, and enhances quality of life. RMU is proud to have a great team of water professionals who work hard to ensure clean, safe drinking water is available in the Rolla community.

THANK YOU TO THE RMU WATER CREW

WELCOME to RMU

We would like to welcome two new additions to the RMU staff. Dayton Dukes had a quick start with RMU when he began the Monday following the March tornado. He was quickly launched into his new role as a Laborer and received quality on-the-job training.

Andrea Tomnitz started as a Customer Service Representative on May 5th. Andrea grew up in Rolla, is a graduate of Rolla High School, and is now raising her family in the Rolla area. She and her husband have four kids and they enjoy spending time at the rodeo. Welcome!

ROLLA MUNICIPAL UTILITIES RECOGNIZED AS A RELIABLE PUBLIC POWER PROVIDER

RP3™ GOLD LEVEL

Rolla Municipal Utilities has earned a Reliable Public Power Provider (RP3)® designation from the American Public Power Association for providing reliable and safe electric service. The RP3 designation, which lasts for three years, recognizes public power utilities that demonstrate proficiency in four key disciplines: reliability, safety, workforce development, and system improvement. Criteria include sound business practices and a utility-wide commitment to safe and reliable delivery of electricity. RMU joins more than 250 public power utilities nationwide that hold the RP3 designation.

UPCOMING PROJECTS

RMU electric and water crews have planned projects throughout the City of Rolla. Please help keep crews safe by giving them plenty of distance and obeying road signs. RMU crews expect to be working in the following areas in the near future; however, crews could be working in other areas as situations dictate.

ELECTRIC

- Strobach Street
- 7th Street & Railroad tracks
- HyPoint area near Grellner

WATER

- North Bishop near Lowes
- O Highway
- Shady Acres

Enter to Win

It's easy! To enter, simply ensure we have your current email address and phone number on file.

Stop by our office, call, or email us at info@rmurolla.org with your name, account number and updated phone number. We use email to send important notifications.

If we already have your email, you're automatically entered in the monthly drawing! We'll be holding this drawing every month in 2025. Each month, one lucky RMU customer will win a $50 credit just for having their email on file. Please note that RMU staff members are not eligible to win.
